DSA MEMBERS OFFER FREE BRAKE LIGHT REPAIR

[Date and Time of Clinic]
[Clinic Location]

Volunteers from the [Chapter Location] chapter of Democratic Socialists of America will be hosting a clinic to replace broken brake lights for area residents free of charge. This public service event aims to prevent unnecessary police stops, expensive tickets and fines, and possible court appearances, to benefit the greater community.

By reducing the opportunity for police stops that disproportionately affect vulnerable populations, the [chapter location] DSA works for its vision of a more just, humane, and free society.
