

Gimme a Brake! (Light)

A DIY Guide

dsaneworleans.org

GRATITUDE TO:

Every single person in New Orleans who volunteered at a brake light clinic, offered solidarity, snacks, tips, and helped get the word out.

The membership at-large of the New Orleans chapter of the Democratic Socialists of America, with a special gratitude to every Direct Service Committee organizer.

Every chapter and organization that hosted their own brake light clinics, with extra snaps to the Detroit, Albuquerque, Charlottesville, Chicago, Metro Atlanta, Silicon Valley, and Asheville chapters for participating in our conference call to share their collective understanding and insights.

This DIY guide was made possible by the collective effort of individual organizers throughout the nation. We thank you all for the work.

The New Orleans DSA Direct Service Committee and Local Council offered valuable edits and insights on this manual and next steps for political education and agitation.

In solidarity, the editors and designers of this guide:

Alex D, Benjamin H, Cate R, Christopher C, Hannah HdG,
Jordan F, Noah T, and Ryan S
